The Fellowship of the Spiral Path (also known as “Spiral”) is a non-profit religious corporation registered under the laws of the State of California. We are an association of neo-pagan groups in Northern California that acknowledge that we share traditions, beliefs, and/or lines of descent in the Old Religion (including but not limited to reconstructed European traditions, Earth religion, and Goddess religion). We have joined together for purposes of inspiration, mutual solidarity, support, and protection. Our purpose is to provide religious and spiritual services to the community, sponsor special interest groups and projects, and encourage diversity of religious expression. We are supported by donations from those who participate in our activities and benefit from our services.
